

ACADEMIC COVERAGE

1

Brainstorm. List 24 learning experiences.

1. doing internet research	senior English paper or biology project	13.	
2. working with your hands	family living or wood working	14.	
3. group or field trips	Acting I, II or sophomore lit.	15.	
4.		16.	
5.		17.	
6.		18.	
7.		19.	
8.		20.	
9.		21.	
10.		22.	
11.		23.	
12.		24.	

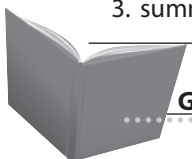

2

In the box next to the learning experiences list the classes that have those experiences as part of their curriculum.

3

List other experiences that are part of the students' academic life.

1. study habits	4. report cards	7.	10.
2. cram sessions	5. GPA/class rank	8.	11.
3. summer school	6.	9.	12.

4

Narrow academic coverage. Decide on what classes will be covered under each topic and how they will be covered.

Topic	Classes	Coverage

Open your mind. Explore the possibilities.

5

Examine each topic. (i.e. studying)

Before	During	After
finding a place to study	study/break/study	cleaning up
stocking it with food, paper, etc.	organizing/eating	store food
