

POSTSEASON SPORTS SURVEY

Dear Coach _____

Earlier in the year you completed a preseason survey for the yearbook staff. I would like to gather some additional information and ask you if any changes need to be made to the information you provided earlier. Attached you will find a copy of the preseason survey you completed. Please read it over and make any corrections. In order to assure accurate coverage in the yearbook, please take the time to complete the rest of this survey. If you already have a completed scoreboard, please attach one to this form; otherwise, please use the attached scoreboard form to record the season's scores. Thank you very much.
