## A Team Building Exercise or Photo Essay Assignment

1. Divide into teams (preferable 5 – 7 on a team).
2. Each team must have a set of instructions and one disposable **UNDERWATER** camera.
3. The camera must be used to document the fact that the team has fulfilled or solved the various challenges listed on the Photo Safari instruction sheet.
4. The photos are developed and placed on a storyboard, and the teams use the photos to chronicle their adventures. If using digital cameras, the photos can be placed into a slide show presentation.
5. Each person on the team must take at least one of the photos and write a caption for the presentation.
6. Adjust the Photo Safari adventure to your area and environment.

### Here is an example of a Photo Safari Instruction Sheet:
